GREEN MAZE Construction

Area: **Children's Playground**

Saturday, June 20th - 11:00 until 4:00

Christ Temple Church - 1912 McDuffie Street, Anderson SC

Thank you for supporting our Green Maze. It is remarkable that this community-wide effort took root with the Make A Smile endeavor to build playgrounds in New Orleans.

Thus far we have constructed the gazebo, seating and planted 120 trees. Our next project is construction of the Children's Playground on June 20th. We will be announcing the Grand Opening in July 2010.
